## Who We Are

For more than 150 years, St. Peter's has been the name people trust for their health care in New York's Capital Region. From world-class heart and vascular surgery, to specialized care for women and babies, to continuing care for our senior population, St. Peter's Health Partners (SHP) has been recognized for high-quality, compassionate care.

- SHP has more than 11,000 employees in over 185 locations.
- We have three regional hospitals on five campuses.
- St. Peter's Health Partners Medical Associates has nearly 900 providers offering primary and specialty care services in 12 counties.
- St. Peter's Continuing Care includes nursing homes, assisted living and retirement communities, home health care, PACE centers, Hospice, and more in its system-wide care coordination program.
- SHP is a member of Trinity Health, one of the nation's largest Catholic health systems operating in 26 states.
