

our mission

St. Joseph's Hospital Health Center

Welcoming newborns for more than a century

Congratulations on the joyous addition to your family. Childbirth can be a stressful and overwhelming time, but one that is rewarded with much happiness and pride.

We are pleased that the St. Joseph's staff could help welcome your baby into the world.

Like you, many families choose St. Joseph's Hospital Health Center for prenatal, labor and delivery services because we provide high-quality, compassionate care in the finest medical facilities available.

Part of the reason we can deliver this high level of care is through the private donations that many of our patients make to the St. Joseph's Hospital Health Center Foundation. Our patients look after St. Joseph's, just as we have looked after them for over a century, and we continue this commitment to each other today.

We, the St. Joseph's Hospital Health Center family, inspired by the spirit of St. Francis, welcome with **compassion** and **reverence** all people.

We dedicate ourselves to **excellence** as we care for the physical, emotional, social and spiritual needs of those we serve and with whom we work.

We strive to be people of **vision**, responding with **enthusiasm** and **integrity** to the needs of all in an ever-changing health care environment.

With an ongoing commitment to careful **stewardship**, we accept our sacred mission.

Help Us Deliver Excellent Care

Support women's and
children's services

Showing gratitude, supporting excellence

Many of our labor and delivery patients wish to express gratitude to the compassionate staff at St. Joseph's who helped care for them. Others want to ensure that the high level of care they received will be available to others for generations to come.

Private donations can help St. Joseph's purchase the latest equipment, update its facilities, fund staff education programs, and perfect new treatments to help us stay at the forefront of medicine. Most of all, they help provide the best care to expectant mothers and their newborns for years to come.

Your donation to St. Joseph's can:

- Honor a deceased loved one or a living family member or friend
- Support a specific project, area or type of technology
- Be made through a bequest in your will or other type of planned gift

To make a donation

If you would like more information about making a donation to St. Joseph's Hospital Health Center Foundation, please call (315) 703-2137, send e-mail to foundation@sjhsyr.org, or use the attached form to mail your donation. Contributions are tax-deductible to the extent allowed by law. All gifts are greatly appreciated.

Thank You

St. Joseph's wide variety of services for expectant mothers and children includes:

- Intensive Care Nursery, which cares for more than 500 premature, unstable and critically ill babies each year
- Maternal/Child Health Center, offering a full range of health care and counseling services to expectant mothers and children under age 16
- State-of-the-art childbirth facilities and homelike Birth Place, where families can experience the joys of childbirth in a safe environment where their personal choices are supported
- Childbirth classes, breastfeeding support and Central New York's only Apnea Center
- Professional spiritual care and emotional counseling
